Subject: Required Annual AHERA Notifications

In compliance with the US Environmental Protection Agency (EPA) Asbestos Hazards Emergency Response Act (AHERA), we had inspections conducted in each of our school buildings for the purpose of identifying asbestos-containing building materials (ACBMs). No ACBMs were identified. The inspection findings were included in an asbestos Management Plan which has been on file in the school administrative office since that time.

The Asbestos Program Manager, Khaled Al-Zoubi, PE, is available to answer any questions you may have about asbestos in our buildings.

Sincerely,

Mussarut Jabeen  
Principal
