يَتَّيِّهَا الَّذِينَ ءَامَنُوا إِذَا قِيلَ لَكُمْ تَفَسَّحُوا فِي الْمَجَالِسِ فَافْسَحُوا
يَفْسَحِ اللَّهُ لَكُمْ وَإِذَا قِيلَ انشُرُوا فَانشُرُوا يَرْفَعِ اللَّهُ الَّذِينَ ءَامَنُوا
مِنْكُمْ وَالَّذِينَ أُوتُوا الْعِلْمَ دَرَجَاتٍ وَاللَّهُ بِمَا تَعْمَلُونَ خَبِيرٌ ﴿١١﴾

"Allah will exalt in degree those of you who believe and who have been granted knowledge; and Allah is aware of what you do" Holy Qur'an 58:11

2017-2018 Al-Iman Elementary School Handbook

A limited English proficient student is defined as an individual who meets all three of the following criteria:

Home Language: The student has a native language that is not English and comes from an environment where a language other than English is dominant; or is a Native American and comes from an environment where a language other than English has had a significant impact on such individual's level of English language proficiency; **and**

500. GRADE REPORTING

Academic and behavior progress is reported at Al-Iman School through report cards and standardized tests.

505. Report Cards

505a. Pre-K & Kindergarten: Classes will receive a report card every 18 weeks (two times a year)

1st Grade: Class will receive a report card for 2nd, 3rd & 4th quarters only.

2nd Grade through 8th Grade: Report cards are sent home at the end of each 9-week quarter to record student progress throughout the year. Grades assigned on the report card become a part of the student's official academic record. In addition, an interim report is sent home midway through each grading period. This report does not become a part of the student's cumulative academic record but is intended to keep parents abreast of their child's progress in order to target identified needs before the quarterly report card is issued. The following means are utilized to determine and report student progress

505b. Elementary Report Card: (KG-5th)

(Adopted August, 2007-2008)

Al-Iman School adopted Standards-based grading to be compatible with Wake County Policy. It is the basis for all grading in the elementary school. The purpose of the adoption

2017-2018 Al-Iman Elementary School Handbook

was to improve consistency in the grading process from grade to grade and school to school based on the state standards listed in the NC Standard Course of Study for each grade. Additionally, the report card was revised to align with new laws and policies such as the NC Student Accountability Standards and the WCPSS Promotion policy.

The report card informs students and parents about a student's performance on the grade level standards. Grades are a summary of assessments and evidence that is collected throughout the grading period. Information related to growth, overall strengths, and needs are captured in the teacher comment section. Samples of student work representing Levels 1, 2, 3, and 4 should be posted in the classroom so students have a clear idea of how to perform better than is expected.

The report card has helped administrators and teachers at schools to improve assessment practices, guide instruction of the state standards, and provide more deliberate development of enrichment activities.

The student performance levels of 1, 2, 3, or 4 indicate the degree to which students have met the expectations set by the state in the Standard Course of Study and whether the student has the necessary skills and concepts to be successful in the next quarter or next grade. Examples of work at each performance level are readily available through student work samples and system-wide rubrics so learners know the expectations for each level. Rigorous opportunities for students to demonstrate understanding and skills beyond the state's expectations are offered regularly in the general education setting. This provides chances for all children to show their talents and to stretch their learning.

510. Student performance levels

The student performance level is determined by a variety of assessment data for each object that is addressed that grading period. Work habits and conduct grades are separate from the student's content proficiency.

Level 4 - Extends targeted grade level standards: represents the student exceeding grade level expectations set by the state and that a student will be successful in the next grade or quarter and whose curriculum may be enriched.

Level 3 - Demonstrates proficiency of targeted grade level standard: represents the student meeting the grade level expectations set by the state and indicates that a student has the necessary skills and concepts to be successful in the next grade or quarter.

Level 2 - Inconsistent and needs support to meet targeted grade level standards: indicates that the student has not yet met grade level expectations set by the state and that a student does not have the necessary skills and concepts to be successful in the next grade or quarter. The student still needs teacher support to be successful with the concept or skill; the student is not yet independent. This should alert parents that close communication is needed for further student support.

Level 1 - Insufficient performance of targeted grade level standards with support: indicates that the student has not yet met grade level expectations set by the state and that a student does not have the necessary skills and concepts to be successful in the next grade or quarter. This should alert parents that close communication is needed for further student support.

Grades are provided twice a year for weekly special classes such as art and music, instead of quarterly. This provides special teachers the time with students they need to assess each student's work.

2017-2018 Al-Iman Elementary School Handbook

515. Reporting on classroom behavior

Reports on the student's conduct and work habits are also included. In reporting on conduct, the teacher can indicate whether the student meets expectations in cooperating with others, respecting others, and observing rules and procedures. In reporting on work habits, the teacher can indicate whether the student uses time wisely, listens carefully, completes assignments, writes legibly, works independently or seeks help when needed, and completes work. Students who fail to adhere to the Al-Iman School Behavior Contract and do not meet Al-Iman's expectations for behavior, will be placed on a Behavioral Action Plan. Furthermore, if the Behavioral Action Plan is in effective the student will be withdrawn from Al-Iman School.

Students are rated with a 1, 2, or 3 scale for Conduct and Work Habits.

3 - meets expectations

2 - inconsistently meets expectations

1 - does not meet expectations

Comments

The comments section enables the report card to take the place of a separate Personal Education Plan that is necessary for students performing at Levels 1 or 2. The report card provides space for teachers to list the individual interventions such as a volunteer tutor, mentoring program, or Accelerated Learning Program instruction in which some students participate. The comments should be specific enough for a tutor or student helper to know the focus of the intervention. Interventions should not address goals in an P.E.P. nor should they report on enrichment or AG services. These are separate reports that can be sent with the report card. A reader should be able to predict the report card grade based on the comments.

The elementary report card provides one way for the teacher to communicate with the student and parent about the student's success in meeting the state standards for that grade and reporting on the student's classroom behavior and work habits.

More detailed information can be found at <http://www2.wcpss.net/departments/c-and-i/elementary/reportcards/index.htm> . Click on "Guide to Reporting Student Progress".

525. Character and work/study habit grades

Conduct: Al-Iman Students are expected to excel both academically and in developing good character and successful habits. The homeroom teacher of the student reports such behavior in consultation with all of the student's teachers as follows:

For Elementary School, conduct is listed on the report card for all four quarters. There are currently 3 conducts reported: 1) Cooperation, 2) Showing respect for others and 3) Observing rules and procedures. Students receive an "X" for each conduct demonstrated for each quarter.

535. Academic Standards at Al-Iman School

535B. Academic Action Plan

All students are expected to perform “At Level” or higher in every subject. If a student does not perform “At Level” or inconsistently performs “At Level” at the end of any quarter, the student will be placed on an academic action plan and the parents will be notified. The student will have until the end of the next subsequent grading period

Teachers are to work closely with parents to ensure that both the students/parents understand expectations and are aware of curriculum objectives to be covered each quarter. Intervention strategies must be designed and implemented early in the quarter prior to the report card to address student weakness. The Teacher will develop an action plan signed by the parents and teachers to assist the child in order to improve academic performance. The parents, student, and teacher must participate in planning and periodically checking progress made. The Action Plan will be kept in the cumulative folder.

535C. Testing Procedures

At least once in each school year, in compliance with North Carolina State Law, Al-Iman School shall administer a nationally standardized test/measurement to students in their required grade levels. This procedure will measure achievement in the areas of Language Arts, Mathematics, Science & Social Studies. The school is required to prepare and maintain records of the results achieved by its students for one year after the testing. A duly authorized representative of the State of North Carolina shall make all records available, subject to the provision of G.S.115c-196, at the Front Office, at all reasonable times, for annual inspection. Also, the school administration may decide to administer a nationally standardized test to any student in order to monitor the student's progress in comparison to a national norm and for curriculum evaluation or for grade placement.

At least once in each school year, in compliance with North Carolina State Law, Al-Iman School shall administer a statewide or nationally standardized test/measurement to students in their required grade levels. This procedure will measure achievement in the areas of English Language Arts, Mathematics, and Science. The school is required to prepare and maintain records of the results achieved by its students for one year after the testing. A duly authorized representative of the State of North Carolina shall make all records available, subject to the provision of G.S.115c-196, at the Front Office, at all reasonable times, for annual inspection. Also, the school administration may decide to administer a nationally standardized test to any student in order to monitor the student's progress in comparison to a national norm and for curriculum evaluation or for grade placement.

Al-Iman School uses the criterion referenced **NWEA MAP (Measures of Academic Progress) Test** to make comparisons between Al-Iman School and other schools throughout the nation. Parents are notified of standardized test scores when they become available to the school.

MAP Testing Requirements

MAP Testing is a nationally normed diagnostic test that is given three times a year (Fall, Winter and Spring). To show competency students should show standard growth from the Fall to the Spring testing session, in accordance to NWEA norms. Student growth is based on individual performance, teachers receive growth and norms data that permit them to

2017-2018 Al-Iman Elementary School Handbook

evaluate student achievement independent of grade, over time, and in relation to students across the U.S.

Students Not Showing Mandated Growth Based on NWEA Norms

Showing growth in MAP testing is essential for all students at Al-Iman School. If a student in grades K-8 does not show the required growth, the middle school team will review the student's overall class performance to determine if an action plan is needed.

- Students who scored a Level 1 in either ELA or Math will be retested on assigned day before the school begins. The parents will be informed and given materials to review over the summer.
- Students who scored a Level 2 in either ELA or Math and did not pass the corresponding subject(s) will be retested on assigned day before the school begins. The parents will be informed and given materials to review over the summer.
- Students who scored a Level 2 in ELA and Math and passed the corresponding subject(s) will not be retested.

Students Not Passing the End-of-Course Test

Passing the End-of-Course (EOC) in all core subjects is mandatory for all students. If the student does not pass the EOC, the student will be required to master the skills that need improvement during the summer break.

535D. Promotion and Retention Policy

Promotion standards are based on the belief in the need to provide early and ongoing assistance to students who need it. The aim must be that all students have the basic skills critical for participating in and benefiting from high school curriculum in core academic and vocation areas.

In grades K-8, each student shall be placed at a grade level by the Principal in consultation with the school review committee. This committee shall be composed of the (1) students' classroom teachers, (2) consultants or specialists working with the student, if available (3) the Principal. Social workers and counselors who are serving the child may also be included on this team. Placement shall be based upon the mastery of critical knowledge and skills including reading, writing, mathematics, and science and in consideration of social, emotional, and physical needs. In addition, the student's NWEA MAP Test scores must demonstrate grade level proficiency in Reading, Language Usage and Mathematics. For students in 3rd through 8th grades, they must also demonstrate grade level proficiency in Science. The educational program shall provide for the continuous progress of student.

In grades 5-8, promotion requirements are based upon successful course completion of English/Language Arts, Mathematics, Science, Social Studies, Arabic, Qur'an and Islamic Studies and Physical Education. In addition, students must pass at least fifty percent, (50%) of the remaining courses taken. Intervention must be provided for K-8 students who do not meet Al-Iman School, Wake County promotion requirements and/or North Carolina student accountability standards. Intervention strategies may include, but are not limited to, alternative learning models, modified homework, smaller classes, tutorial sessions, extended school day, after-school assistance programs, parental involvement, and/or summer school. Some students may benefit from additional intervention, one of which may

2017-2018 Al-Iman Elementary School Handbook

be spending two years in the same grade. Parent consultation and involvement, including timely notification, is required for students at risk of not meeting promotion standards and requirements.

(Details will be provided at the beginning of the year.)

600. SCHOOL ↔ HOME COMMUNICATION

In order to provide an effective educational program it is the policy of Al-Iman School to maintain close communication between the home and the school through the following:

1. **Al-Iman “Parents Page”:** This is a bi-weekly online newsletter from the Principal and the Front Office containing announcements and upcoming school events. Parents & students can access this newsletter by going to www.alimanschool.org then clicking on link in the features.
2. **New and Returning Student Orientation:** New as well as returning students and their families are encouraged to attend orientation sessions planned for the week before school starts. These sessions aim at familiarize the students with the school and its daily procedures. During these sessions, information is also provided on new &/or changes in school policies.
3. **Open House:** The open house is a time to get acquainted with staff members and our educational programs. It is held annually during the first few months of school. At this event, teachers introduce themselves and give a general overview of course content and classroom rules. Individual student progress is not discussed at this function, though a separate conference may be scheduled.
4. **School Visits:** Parents are encouraged to visit the school and their child/children’s class(es). The teacher must be notified ahead of time for classroom visits by contacting the Front Office. The Front Office will then have the Teacher contact the parent to schedule an appointment. **Parents are requested not to interrupt any class during instructional time or discuss any issues with the teacher during class time.** For details, please read the procedures for Parent Conference Requests on the next page. Volunteering to assist in preparing learning materials, help chaperone field trips, teach special craft lessons, etc. is a most useful way to visit and be involved at your child's school. Parents may also come to have lunch and offer Salaat with the children. To observe a class, parents, visitors, and specialists must make arrangements in advance with the Principal.

All visitors MUST obtain a visitor’s badge from the Front Office upon arrival at the school. These badges are used to document your 20 hours (per family) of required volunteer service to the school. If you are volunteering with a field trip, these badges may be given to your child’s homeroom teacher to be submitted to the office at the end of the day.

5. **Al-Iman Daily Assignment Books:** Students at Al-Iman School are required to maintain assignment notebooks for the purpose of recording daily homework and long-term project due dates. Elementary students will be assisted by their teachers in learning to use this organizational tool, while students in the 5th grade will be held responsible for doing so on their own. Parents should check the assignment notebooks daily in order to be aware of student learning in a consistent manner.

2017-2018 Al-Iman Elementary School Handbook

6. **Weekly Folders and Weekly Report Sheets:** All Elementary students (PreK-5th) will be given a weekly folder to be sent home once a week. The contents of this folder will include newsletters and announcements as well as graded class work, homework, and conduct from the previous week. It will also include the weekly report sheet, which is an informal report from each of the student's teachers. This report is not a part of the student's permanent record but is intended to target identified needs on a weekly basis. **This document must be signed and returned in the folder on the following day.** The format for conduct that is used in the Elementary Report Card will be used to document weekly conduct for PreK-5th grade students.
7. **Parent-Teacher Communication:** Homeroom teachers and/or Subject teachers will send information to parents through the teacher's website and using Class Dojo. This tool will be used to keep parents abreast of class news.
8. **Report Cards and Interim Reports:** Report cards are sent home at the end of each 9-week quarter to record student progress throughout the year. Grades assigned on the report card become a part of the student's official academic record. In addition, an interim report is sent home midway through each grading period. This report does not become a part of the student's academic record but is intended to keep parents abreast of their child's progress in order to target identified needs before the quarterly report card is issued. Both report card envelopes and interim reports must be signed and returned the day following receipt. Signing indicates that the parent has seen the report. Parents will have on-line access to view the report cards.
9. **Parent/Teacher Conferences:** Conferences will be scheduled to discuss individual student progress following each interim report. This is so the parents and teachers may work together to target identified needs before the official report card is issued. Additional conferences may be requested by either parent or Teacher and scheduled as needed. Teachers are not expected to hold conferences with parents without advance notice. Parents who wish to schedule a conference with a teacher may do so by sending a request in the weekly folder, sending the teacher a request by email (All staff/faculty members' email addresses can be found on the school's website www.alimanschool.org). Requests for a conference should be scheduled within 48 hours of contact with the Teacher.
10. **Parent Teacher Student Organization:** The PTSO serves the purpose of a "PTA" in Al-Iman School. Specifically, this organization:
 - A. Coordinates opportunities for parents to participate in the total education of their child, such as volunteering and parent workshops.
 - B. Provides a forum for constructive communication between parents, Teachers, administrators, and community members for meeting challenges posed by the school.
 - C. Sponsors fund-raising activities to promote the development of the school's resources and thus enhance its educational program. Membership is highly recommended to any parent or concerned individual who has a committed involvement with the purpose and basic policies of **PTSO**. **PTSO** holds meetings on a quarterly basis and produces a newsletter periodically to be sent home in the weekly folder.

2017-2018 Al-Iman Elementary School Handbook

11. **Al-Iman School at a Glance:** This is a newsletter from the school committee issued at major school and community events to report on the performance, progress, and future plans for Al-Iman School.

605. Access to Student Files

School office files (cumulative records) are maintained for each student. The files may include such pertinent information as: attendance records, academic records, quarterly tests, disciplinary referrals and actions taken as well as medical and health records. The Family Educational rights and Privacy Act (FERPA) is a federal law governing the maintenance of student records. Under the law, parents of students, or the students (*if they are at least 18 years of age*) have the right to inspect records kept by the school concerning the student, and the right to correct any inaccuracies in the records. Standardized test scores are subject to inspection by a duly authorized representative of the State of North Carolina. Otherwise, access to records by persons other than the parents, the student, and members of the school staff, is limited and requires prior written consent by the parents.

610. Change of Address or Telephone Number

It is very important for the school to be able to contact parents by mail and telephone at all times. Please notify the Front Office of any change of address or business or home telephone numbers as soon as possible.

700. DAILY OPERATIONS

Al-Iman School operates on the premises of the Islamic Association of Raleigh for the duration of the academic school year. Hours of operation are Monday – Friday from 7:45a.m. to 3:50p.m. Dismissal will start at 3:25 p.m. until 3:45 p.m. All students not enrolled in the After-School Program are to be picked up no later than 3:50 pm. Extra-Curricular Activities will begin at 3:50 p.m. and will continue until 5:00 p.m. **Applicable program fees will apply.**

705. Transportation

Transportation is the responsibility of each family. Car-pooling, arranged among families is one way to meet this need. The school to this date does not provide bus service. If bus service becomes available, parents will be notified.

710. Arrival Time

Students must report to homeroom **by 7:50 a.m.** All students must stay their homeroom until the bell rings at 7:58a.m. Homeroom activities will begin at 7:50 a.m. Parents are to understand that arriving to school late means that the child will miss out on valuable instruction. This may put the child behind in his or her schoolwork. **THREE tardies are equivalent to one absence.** Students with more than 5 tardies in a given grading period will be subject to disciplinary action, such as making up the time during lunch and not participating in extra-curricular activities.

Al-Iman School does not provide an early arrival program for students who arrive before 7:30a.m. It is the responsibility of the parent to find accommodations for their child(ren) before 7:30a.m. No child should be left

2017-2018 Al-Iman Elementary School Handbook

unsupervised on school property prior to this time. No child will be allowed into the school building until 7:30 a.m.

715. Absences

If at any time a child is to be absent from class due to illness or a previously scheduled appointment, **parents must call in** to report the absence of a child each day before 8:30 a.m. Unconfirmed absences will require the school to call the home to check on the absence of a child. Upon returning to school, students must bring a note from the parent, guardian or Doctor stating the reason for the absence. **Students absent due to contagious illness(measles, etc.) must bring a doctor's note stating that the student's return to school does not jeopardize others.**

Twenty absences **unexcused** from any given class in one academic year may result in the need for the child to repeat the class or possibly be retained to repeat the entire academic year. Unexcused absences will result in disciplinary action as well.

Based on the Wake County School Policy, to be counted present for that school day a student must be in attendance at least one-half of the student school day (arriving to school no later than 11:40 a.m. or leaving the school no earlier than 11:40 a.m). This shall include attendance at official school activities at a place other than school with the approval of the principal. A student shall be in his/her assigned area at the beginning of the school day and the beginning of each class or be recorded as tardy.

720. Excused Absence

An absence is excused if the following conditions exist:

1. Illness or injury which makes the student physically unable to attend school.
2. Isolation ordered by the State Board of Health or the Wake County Health Department.
3. Death in family.
4. Medical, dental, or other appointment with a health care provider approved in advance.(Must bring in a Doctor's note).
5. Court when a student is under subpoena.

Absences not classified as excused are unexcused. The student is responsible for submitting a note upon their return, signed by the parent citing the reason for an absence to the Front Office. Failure to comply with the above will result in the absence being unexcused.

For each excused absent day the student will have two days to make up any homework and/or class work missed (according to Wake County Policy). After the allotted time the teacher will average a zero for any incomplete assignments.

725. Early Release

Parents are requested to make dental and medical appointments for the children after school hours when possible. In such cases where appointments cannot be rescheduled, a parent may pick up a student early and sign the student out from the Front Office. If the

2017-2018 Al-Iman Elementary School Handbook

student is brought back within the same school day, the parent should check the student back in at the Front Office as well.

- **Each time a child misses school due to a doctor / dentist appointment, etc the parent MUST bring an excuse slip to the Front Office.**
- **No parent is allowed to pick up their child early after Friday Prayers unless for a valid reason (see excused absence above).**
- **If the parent receives a call from the school that their child is sick but they have more than one child attending Al-Iman, the parent can only pick up the child that is ill and the other children will remain in class until dismissal time.**
- **Personal Leave is unexcused**
- ***If your child's appointment is during salaah time, please come to the front office at least 10 minutes before salaah.***
- ***There is no early dismissal after 3:00pm. Please pick up your child before 3:00 pm.***

730. After-School Dismissal

Students are dismissed at 3:30-3:45p.m. each day. Picking up students before dismissal time is disruptive to classes and may result in the loss of valuable learning experiences. However, students must be picked up immediately after school during the dismissal time: 3:30-3:50.

To assure a safe and systematic flow of traffic, parents are expected to remain in the pick-up line and wait for students to be called and safely loaded into their vehicles. Parents who wish to enter the school must not leave their vehicles unattended in the pick-up line or the front of the school. Parents must not park in the carpool line. Please remain in your car.

After 4:00 p.m. students who are not picked up will be sent to after-school care for adult supervision. Parents will be charged \$10.00 per family for every 15 minutes starting from 4:00 pm The After-School Program coordinator will document pick up times and fees on the Late Pick Up Form and turn this form into the Business Manager on a daily basis. All fees will be deducted with the next tuition automatic deduction.

If the parent would like to designate a relative or family friend to pick-up their children, the school must receive a written note from the parent. Students will only be released to the people who are listed on his/her **Student Emergency Form**.

735. IMPORTANT NOTICE REGARDING UNATTENDED CHILDREN

It is against the policy of the Islamic Center of Raleigh to leave children unattended on its premises. It is also considered by the State of North Carolina to be child neglect.

910. "STAYING HOME WHEN SICK"

Reminder (Adopted from WCPSS)

'The season for coughing, sneezing and wheezing is here! We advise parents to keep their children at home if they display any of the following symptoms:

- fever
- vomiting and/or diarrhea
- headache and chills
- pain in muscles and joints
- sore throat
- coughing
- lack of appetite
- fatigue

Remember that the school policy regarding fevers is this: Your child must be fever-free (and not because of medicine) for 24-hours before returning to school. "

911. Lice Policy

A. Screening Procedures

1. Have the classroom Teacher and/or designee monitor all elementary school children for head lice through observation of excessive scratching of the scalp.
2. If head lice is suspected, directly inspect the hair and scalp using the student's own pencil or tongue depressor to detect the presence of crawling lice or nits. Observe for movement on or near the scalp especially at the nape of the neck and behind the ear and the crown.
3. When an individual case is found, inspect all students and close associates (best friends, classmates, playmates, siblings, bus or car transportation contacts, etc.).
3. If several students in a classroom are infested, all children in addition to their

2017-2018 Al-Iman Elementary School Handbook

close associates should be inspected.

4. The Principal or his designee will determine the need for in-service education for the teachers, teacher assistants, secretaries, assistant principals or others on staff. In-service will be provided as needed for the prevention, identification and control of head lice.

B. Case Finding

The Teacher will bring the student with suspected head lice to the Principal or designee. Once the case is verified, control measures should begin promptly to prevent unnecessary spread of the disease.

1. The Teachers through classroom hair and scalp screening and observations will report suspected cases of infestations to the Principal.
2. The Principal or his/her designee will examine the child's head to verify the report. In cases of doubt, the child will be referred to see his/her Physician for an accurate diagnosis.
3. When a case is found, all the children in the classroom will be checked for head lice by the school personnel. Any other school-aged child in the family should also be checked. All students screened and identified to have head lice will be sent home with a letter to the parents explaining the treatment and when to return to the school.

C. Prevention of Spread

1. As long as one or more students in the class have head lice, all hats and coats should be stored separately. This may be accomplished in any of several ways:
 - (a) Assign individual lockers to student;
 - (b) Let caps and scarves be kept in the student's desk and hang coats on the back of seats. The seats should be at least two feet apart if possible; and
 - (c) Secure the cooperation of students by educating them to Pediculosis, its mode of transmission, and the importance of not sharing clothing items or combs, etc.
2. When active cases of head lice are identified at school and a student is sent home, classmates will be issued a letter by the principal, to the parents, informing them of the existence of head lice in the classroom. The letter will explain precautions and screening procedures to be taken. If there are siblings attending other schools, principal or designee will contact the other school immediately to advise them of findings.
3. The classroom should be vacuumed thoroughly.

D. Administrative Handling

1. Students identified to have lice will be sent home. The Principal will contact the responsible parent/guardian and instruct him/her to pick the child up from the school as soon as possible. The parent will be informed of the school policy and recommended treatment as well as procedures to follow to prevent the spread or re-infestation. A letter with this information will be given to the parent. The student should not ride home with other students unless the Admin is notified of other transportation arrangements by the parents.

2017-2018 Al-Iman Elementary School Handbook

2. After complete treatment is rendered and all nits and lice removed, the child will be returned to school by the parent/guardian.
3. Parent/Guardian and student must report to the Principal's Office. Upon a thorough inspection by the school personnel, if the hair is lice free and all eggs removed, the child will be readmitted to school.
4. When the above measures have failed to accomplish compliance with readmission guidelines, principal should contact the Department of Social Services for assistance.

E. **Treatment** – Refer to letter for instruction

913. Medicines Kept At School.

All parents are required to pick up all of their child(ren)'s medication kept at school on or before the last day of school for students. All medication not picked up one week after the last day of school for students will be disposed of appropriately. All expired medication will be disposed of appropriately.

915. School Personnel to Report Child Abuse

Any person who has cause to suspect child abuse or neglect has a duty to report the case of the child in writing to the School Principal using the Child Abuse Report Form.

The School Principal shall then follow the protocol established by the State of North Carolina.

920. Student Emergencies

When it becomes necessary for a child to go home due to injury, illness, suspensions, or expulsion, the child's parents will be contacted. Then a parent or a responsible adult designated by the parent must come to the school to get the child. That person must also sign the appropriate **Early Dismissal Form** available at the Front Office. For their protection, children are not permitted to go home by themselves while school is in session. Unless we receive a written note from a parent, a child will only be released to the people who are listed on his/her **Student Emergency Locator Card**.

Teachers are not authorized to administer First Aid. In case of emergency parents are notified immediately.

If a parent is not available, the designated emergency person will be reached (*as per Student Emergency Locator Card*).

925. Early Dismissal

Al-Iman School will remain in session until 3:30p.m. unless there is an emergency in the building or when inclement weather develops after school is in session. We must ask all parents to **PLEASE MAKE CERTAIN THAT THEIR CHILD KNOWS WHOM TO CALL WHEN PARENTS ARE NOT AT HOME IN CASE OF EARLY DISMISSAL.**

Parents should also keep school locator cards updated with home numbers, addresses, cell phone numbers and alternate emergency contact person.

2017-2018 Al-Iman Elementary School Handbook

930. Inclement Weather Conditions

Watch local TV Channel 5 for the latest information concerning the closings and delays of school. **WHEN WAKE COUNTY SCHOOL SYSTEM CLOSES, DELAYS, OR DISMISSES SCHOOL EARLY DUE TO BAD WEATHER, THEN AL-IMAN WILL DO LIKEWISE** for parent and student convenience.

Parents will also be notified using the **School Reach Instant Parent Contact System**. This is an automated phone system that will be utilized to deliver to parents important information regarding students. Parents are urged to listen carefully to all information that is delivered using this system.

935. Fire, Tornado, Lock-Down, and Hurricane Drills

Students will practice safety drills routinely. In the event of fire or other disaster an emergency plan will be put into effect to assure as much protection for the children as possible. Faculty/Staff orientation includes training for such situations. All emergency drill procedures are posted on the school's website.

940. Responding to Crisis Situations

A crisis telephone contact tree will be made each year to facilitate smooth and swift communication to parents in the event of a crisis situation that disrupts the normal operation of the school. We seek refuge in Allah from calamity and harm.

1000. STUDENT BEHAVIOR MANAGEMENT

It is the responsibility of every student and parent to read and be aware of Al-Iman School's behavior expectations. This policy serves as the first, and in some cases, the only warning to be issued to students for inappropriate behavior. Not knowing the rules and regulations specified in this policy will not be considered a valid excuse for violations.

1005. Parent Conduct:

Al-Iman School believes in working together with parents in a cordial environment. The school will take all measures to strengthen this partnership and build effective communication with students and parents.

Parents are expected to adhere to the Islamic code of conduct, and therefore; respect for the authority of staff and faculty at all times is expected. This includes during indoor and outdoor school activities. We request parents to **refrain from the use of obscene, abusive, vulgar, profane harassing, insulting, racial, gender, religious or ethnic slurs, written or verbal** toward any member of the school community, in order to work together as partners in a conducive environment.

Violation of the above mentioned policy may result in "immediate expulsion" of the involved parent's child/ren, additionally; the school will take all precautionary measures, including issuing restraining orders to safeguard the safety and security of school personnel."

2017-2018 Al-Iman Elementary School Handbook

1100. ISLAMIC CHARACTER EDUCATION

The Character Education at Al-Iman is of paramount importance and, as such, it has been made part of the School mission. Al-Iman believes that students need strong moral belief besides the knowledge of Math, Science, and Language Arts to succeed in this life and the Hereafter. With that in mind, Al-Iman has based its Character Education on the Book of Allah (SWT) and the life of the Prophet Muhammad (SAW). Students who have the integrity of character and strength of belief are more likely to succeed in this life as well. They are apt to be responsible and law-abiding citizens of a community. They recognize their obligations and the rights of fellow human beings. On the other hand, students whose education is devoid of moral values and beliefs are likely to rebel against Allah and society.

Believing that the source of all goodness is Allah, and that the Prophet Muhammad (SAW) represented that goodness in his lifestyle, Al-Iman's curriculum strives to engender those divine values into the character of its students.

Means of Effective Islamic Character Education

- 1. Empower students and hold them accountable:** The student is encouraged through positive reinforcement to develop him/herself as a Muslim and to strive to meet the academic and behavioral goals of the school through acceptance of responsibility and developing a sense of self-accountability by learning from one's own mistakes.
- 2. Family involvement in the educational process:** Families are encouraged to participate in the school and model proper Islamic behaviors in the home, thereby reinforcing the Islamic world-view of the child.
- 3. Staff as Role Models:** Al-Iman School is committed to providing the most qualified staff available that live Islam in their daily lives and bring their vision of the Islamic educational process to work with them in the school. The Teacher, while drawing the boundaries of appropriate teacher-student relations, is also a Brother or Sister in faith to each student, and must foster that bond accordingly to motivate the student to achieve in his/her class.
- 4. Curriculum Integration:** Character education is integrated into the existing curriculum, becoming a part of the general framework in which all education takes place. School personnel strive to make character part of the learning emphasis at all levels in every course and activity area. Students are taught that Allah knows all that they do and that they should love Allah and try to please Him at all times.
- 5. Environment:** The environment in the school builds Islamic identity and awareness by enjoining what is good and forbidding what is wrong according to the Qur'an and the Sunnah (traditions) of the Prophet (SAW). For this reason, Islamic standards of conduct, appearance, arts, celebrations, and general acts of worship such as prayer, fasting, and charity are exercised and determine the overall climate of the school.
- 6. Islamic Character Traits:** Every month the school will focus on one specific character trait to develop. Qur'an and Ahadeeth, essays, poems, daily reminders, bulletin boards and all other means to promote the monthly trait will be utilized to allow the character trait to permeate each person's being.

1200. BEHAVIOR EXPECTATIONS

A school climate conducive to serious study and respect for oneself, other people, and property is essential for a school to meet the needs of the educational process.

- A. **Islamic manners:** Students and teachers should behave in an Islamic and responsible manner, both in class and outdoors.
- B. **Respect:** Students should be courteous and respectful to teachers, parents, volunteers, visitors, and each other – especially younger students. Distracting the class, belittling others, vandalism, fighting, stealing, other disrespectful behaviors are not permitted.
- C. **Physical Violence:** Any student who demonstrates violent behaviors towards students and staff such as: kicking, hitting, slapping, smacking, punching, pinching, poking, shoving or biting, **may be recommended for** expulsion.
- D. **Bullying:** **Any student who repeatedly uses superior strength or influence to intimidate someone or to force him or her to do what one wants may be recommended for suspension and / or expulsion if behavior continues.**
- E. **Compliance:** Students should be obedient, diligent in their studies, and respect the rights of others. They should comply with all school rules and instructions given by the school personnel. The Teacher has the responsibility and authority to discipline students except in a case requiring the attention of the Principal. If students have any concerns, these should be discussed with the teachers or Principal in a private setting. Any student who constantly (2 or more) leaves the school building without staff permission or supervision may be recommended for expulsion due to liability.
- F. **NO Solicitation:** Students should not bring trading cards, collectibles, games, food and the like for show, sale or trade to the school. If the student brings these items to the school, they will be subject to confiscation and can be given to the parent through the Al-Iman School Office.
- G. **NO Personal Items:** Students should not bring any electronics, collectible, toys, games, trading cards, etc. to the school unless requested by teacher. These items will be subject to confiscation and will be given to the parents **at dismissal by the homeroom teacher.**
- H. **NO Electronic and other Communication Devices: Students** should not bring to school any electronic or communication devices without the permission of the Al-Iman School Administration. These items will be subject to confiscation and will be given to the parents **at dismissal by the homeroom teacher.** Parents may request permission (with a valid reason) for their child(ren) to carry a cell phone to school for use only after dismissal. If cell phone permission is granted by the principal, the cell phone is to be turned in to the office every morning before homeroom and picked up from the office at dismissal. The cell phone is never to be used to take photographs of other students or to be used on school property at any time. During field trips, students may be allowed to bring their cell phones and turn them in to the supervising staff/faculty member for safe-keeping. The school will not be responsible for any damages to any electronic gadgets brought to school by a student, also in case of lost electronic gadgets. Students are not allowed to bring cell phones to school.

2017-2018 Al-Iman Elementary School Handbook

Principal's written permission will be needed at parents written request to carry cell phones on an individual basis.

- I. **Attendance:** Students are expected to be present in every class, everyday, and to be on time. Al-Iman School requires attendance for all days and hours that school is in session. It is the responsibility of the parent/guardian to see that his/her child is on time to school. It is the responsibility of the homeroom teacher to monitor lateness to school. Unexcused absences from morning classes due to lateness may result in failure of the course as per the attendance policy.
 - a. Lateness to school is defined as not being in the classroom by **8:00 a.m.** Any student not in the classroom by **8:00 a.m.** or arrives after that time is late to school and **MUST** be marked late by the teacher. Students who are late will receive a late pass by a teacher/teacher assistant.
 - b. **NO TEACHER WILL PERMIT A STUDENT TO CLASS AFTER 8:00 a.m.**
 - c. **WITHOUT A PASS FROM A TEACHER/TEACHER ASSISTANT.**
 - d. Arrangements must be made 24 hours in advance through the Front Office for appointments (ex. medical, dental, court appearance, etc.).

Students are expected to be in the classroom at the beginning of each class. Disciplinary action will be taken on students who are in the hallways after class begins or habitually tardy to their classes. Any student legitimately detained because of school business should have a late pass to class from the staff member responsible for detaining the student. If a student comes to class late without a legitimate excuse in writing, the student should be marked as an unexcused tardy and admitted to class. Please note that **three (3) incidents of being late is equal to (1) absence.** Twenty unexcused absences from any given class in one academic year may result in the need for the child to repeat the class or possibly be retained to repeat the entire academic year. A student who comes to class so late that he/she misses an entire period is to be marked absent unless the lateness is excused.

Unexcused Absences/Involuntary Suspension or Expulsion

Unexcused absences will result in disciplinary action as well. Staff members are **not required** to provide an opportunity to make up work missed for unexcused absences. The absence of a child from school resulting from the suspension or expulsion of that student for misconduct, according to the North Carolina Law Provisions G.S. 115-147 is an unexcused absence. However, Al-Iman School shall not deny to any child suspended from school for 10 days or less the opportunity to take the quarterly, or semester examinations missed during the period of suspension.

- J. **Preparedness:** *Do not prepare your shield on the battlefield.* Students are expected to come to class prepared and equipped with all supplies, materials, and completed assignments. Toys, games, and other distracting objects that are not appropriate for the classroom should not be brought to school. Such items will be confiscated and returned only to the parent. Students should also be prepared physically by being well rested and fulfilling other needs such as drinks and restroom visits before class time begins. School restrooms may be used before school, during breaks, and at lunchtime. Loitering in restroom areas is

2017-2018 Al-Iman Elementary School Handbook

not allowed. If a student has a special medical problem requiring more frequent trips to the restroom, parents/guardians should inform the teacher.

- K. **Cleanliness:** *Purity is half of the faith.* Students are expected to help maintain the overall beauty of the school by disposing of all trash and other refuse in the appropriate containers. Desks, lockers, and other storage areas should remain organized and clean at all times and may be inspected at any time for this purpose. If a student notices trash anywhere at the school, it is the student's duty to put the trash in the appropriate container. Restrooms must also be kept clean through appropriate use in accordance with the Sunnah (traditions) of the Prophet (SAW).
- L. **Safety:** Students must always be mindful of safety for themselves and others following all rules and regulations that lend to a clean, safe, environment. Students must walk and not run in the school or Masjid. This includes ALL transition times. Students are expected to remain on the school premises in their assigned areas at all times until they leave for home. The Front Office should be advised when it is necessary for a student to leave the school at other times. Harmful objects and weapons are not permitted. Students are not permitted to leave the dismissal area except to come upstairs to after-school care. Students are specifically not permitted to go to the cafeteria, kitchen, playground or any other area without their teacher's permission while waiting to be picked up.
- M. **Appropriate Speech:** Students are expected to beautify their speech with the remembrance of Allah and to refrain from all foul language. Students must also speak at the appropriate times by participating in classes while refraining from talking when asked to do so. Students are expected respect the etiquette of the prayer area. If talking becomes necessary there, the students or adults shall conduct the conversation outside of the prayer area.

1250. DISCIPLINE POLICY

It is the responsibility of every student and parent to have read and be aware of Al-Iman School's discipline policy. This policy serves as the first, and in some cases, the only warning to be issued to students for inappropriate behavior

Not knowing the rules and regulations specified in this policy will not be considered a valid excuse for violations. It is the responsibility of all students and parents to familiarize themselves with the school's policies and procedures.

The purpose of the discipline policy is to ensure a safe, positive, learning environment in the school while taking into consideration the behavioral development of the students, as guided by the school handbook. (Please refer to specific Elementary and Middle School Discipline Guidelines.) For this reason, the aim of disciplinary measures is to correct the students and help them learn from their mistakes except in cases where the behavior is so severe that it puts the safety or integrity of the school in jeopardy.

Consequences for Inappropriate and Unacceptable Behavior

2017-2018 Al-Iman Elementary School Handbook

Al-Iman staff will notify parents promptly when their child engages in Islamically inappropriate and /or unacceptable behavior. This will be done via telephone calls, Minor and Major Offense reports, and other means, which will ensure prompt communication. A verbal or written response will sometimes be required as outlined below in the major and minor offense form descriptions. Disciplinary actions may include loss of privileges, detention, in-school suspension, out-of-school suspension, or expulsion at the discretion of the Principal or his/her designee after consultation with the Teacher and the student(s). Flexibility will be used with regard to the developmental level of kindergarten through second grade students who may not understand the seriousness of some behaviors.

NOTE: Al-Iman School prohibits the use of corporal punishment. No school personnel, substitute teacher, or volunteer may use corporal punishment to discipline any student. Corporal punishment is all forms of physical punishment including, but not limited to, spanking, paddling, shoving, pulling hair, pinching or slapping. In case of serious misbehavior or behavior, which could result in danger to others or to the student himself/herself, procedures set up in the Student/Parent Handbook will be followed. These procedures are as follows:

The teacher will complete an Incident Report Form,

The teacher will notify the principal and parents of the situation the same day of the incident.

(Please see Appendix.)

1500. GRIEVANCE PROCEDURE / CONFLICT RESOLUTION

During the academic year problems and misunderstandings between students, parents, and teachers may arise. The best way to resolve these problems is to keep an open, yet orderly channel of communication between all parties. The following is a strategy that will allow InshaAllah an open channel of communication between parents and the staff of Al-Iman School.

If you have questions or concerns please voice them as soon as they arise. The following steps are critical in maintaining a sense of discipline.

Step 1: Make an appointment with the Teacher or team of your child to discuss issues and concerns. Remember that Teachers will not be able to have conferences and lengthy conversations in the classroom or in the hallway during class time. If you are not satisfied with the results from a Teacher conference go to Step 2.

Step 2: Contact the Principal and request a conference between yourself, the Teacher, and the Principal. The Principal will contact you with the conference time and location. Please allow 3-5 days for a written response from the Principal unless it is an issue that threatens immediate safety, physical, mental, or emotional health or constitutes a criminal act. If you are not satisfied with the results of this conference go to step 3.

Step 3: Fill out the Conflict Resolution Form (available at the Front Office or Lobby) to request a meeting with the Al-Iman School Committee. Please include your concerns and the results from the previous meetings. **Please allow 3-5 days for a written response from the school unless it is an issue that threatens immediate safety, physical, mental, or emotional health or constitutes a criminal act.**

This fee will need to be paid in order for your child to continue to check out library books. After any of the above options, your child can continue to check out books from the library. An email with missing/outstanding library books and any fees will be sent after each reporting period. Report cards will be held until books are returned and any fees due are paid to the Librarian.

The Librarian will send out a list of fines/dues to be paid at the end of the second quarter and at the end of the year, fines/dues must be paid in full before the report cards are released. This includes the last report card for the end of the year.

1599. POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORTS (PBIS)

Al-Iman School guidelines for School-Wide Positive Behavioral Interventions & Supports (PBIS) and Response to Intervention (RTI) Process and Procedures

What is School-Wide PBIS?

Improving student academic and behavior outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. SWPBS provides an operational framework for achieving these outcomes. Al-Iman School's discipline policy will operate under the behavior management framework of "Positive Behavior Intervention Supports (PBIS). The PBIS framework will enable students to experience the most effective and behavioral practices and interventions possible. PBIS is NOT a curriculum, intervention, or practice, but IS a decision making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.

PBIS Behavioral Intervention Framework

Positive Behavioral Interventions & Supports (PBIS) is a proactive, team-based framework for creating and sustaining positive student behavior. Emphasis is placed on prevention of problem behavior, development of pro-social skills, and the use of data-based problem solving for addressing existing behavior concerns. School-wide PBIS increases the capacity of schools to educate all students utilizing research-based school-wide, classroom, and individualized interventions.

Al-Iman School will implement the PBIS framework as an approach in behavior management on a school-wide level, in a specific setting such as the playground, halls, cafeteria, bathrooms, the classroom, or with an individual student. PBIS methods are research-based and have been proven to significantly reduce the occurrence of problem behaviors. One of the keys is to focus on prevention. It is based on the idea that when students are taught clearly defined behavioral expectations and provided with predictable responses to their behavior, both positive and corrective, 80 – 85% of students will meet these expectations. The 15 – 20% of the students not responding to universal interventions will receive additional support through group and individual interventions.

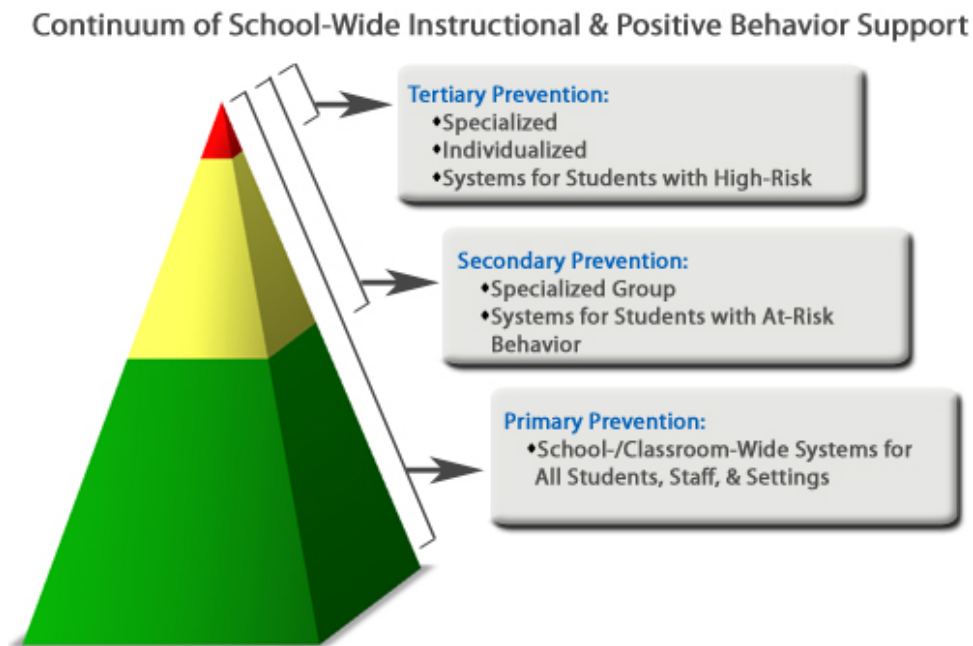

To meet the needs of those who do not respond to universal intervention our school team will analyze all documented data related to their conduct. This team-based approach to data analysis allows Al-Iman School to identify problem areas, brainstorm interventions, acknowledge students exhibiting positive behavior, and communicate the findings to staff, students and parents.

While we cannot be responsible for eradicating all the factors that lead students to choose negative behavior, we can seek to understand them and attempt to manage those over which we have control, which will contribute to a more positive and productive school environment.

Three Levels of Implementation

Al-Iman School will organize its behavior management systems into a three level continuum in which students experience supports based on their behavioral responsiveness to intervention. A three – tiered prevention system will ensure that all students receive supports at either a primary level, secondary or tertiary level. If the behavior of some students is not responsive to the primary

universal level, more intensive behavioral supports will be provided, in the form of a group contingency (secondary tier) or a highly individualized plan (intensive or tertiary tier).

Tier One (Primary prevention)

In Tier One of the PBIS model is a universal or primary prevention approaches, which are evidence-based interventions for promoting the social, emotional, and behavioral development of all students. The development of school-wide expectations, a behavioral matrix, and reinforcement systems to reward desired social behavior will be supported and implemented by all staff members in and out of the classroom. The primary prevention of PBIS consists of universal rules, routines, clear expectations and physical arrangements that are developed and taught by school staff to prevent initial occurrences of behavior the school would like to target for change. Staff supervision and monitoring of student in and out of the classroom is a vital component in ensuring that primary prevention is achieved.

Tier Two: Targeted Group Interventions

In Tier Two prevention is more targeted and group-based interventions designed to serve students who have not responded well to Tier One interventions. Tier two is more intense at meeting the behavioral needs of students. Data has shown that 10 –15% of the total school population will require tier two or three intervention. Students requiring tier two intervention are considered at-risk for more severe behavioral problems and/or academic deficits if not managed properly (Lewis & Sugai, 1999; Sugai & Horner, 2002).

We can predict that students will experience frustration, misbehavior, confusion and failure in the absence of clearly articulated routines, structures and expectations.

Expectations are not simply rules that we communicate and expect students to follow, but rather expectations are clearly articulated rules, supported by routines procedures and structures that respond positively or consequentially to expected behavior.

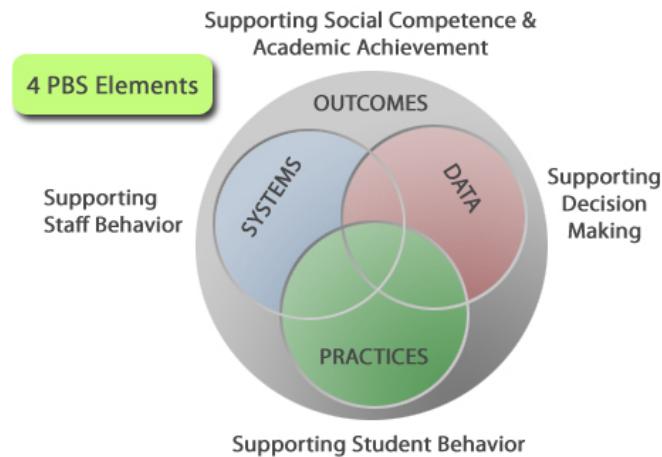

Tier Three: Individualized Intensive Interventions

In Tier Three, tertiary interventions are used for students unresponsive to Tier One and Tier Two interventions. These students are described as challenging to teach and difficult to reach.

Generally, about 5% of the school's population needs tier three individualized intensive services, which often include a Functional Behavior Assessment and subsequent Behavior Intervention Plan (Lewis & Sugai, 1999). It is imperative that all teachers, parents and professional counselors join together to mediate behavior requiring tier three interventions.

What Does School-Wide PBIS Emphasize?

In general, SWPBS emphasizes four integrated elements: (1) data for decision making, (2) measurable outcomes supported and evaluated by data, (3) practices with evidence that these outcomes are achievable, and (4) systems that efficiently and effectively support implementation of these practices.

These four elements are guided by six important principles:

- Develop a continuum of scientifically based behavior and academic interventions and supports
- Use data to make decisions and solve problems
- Arrange the environment to prevent the development and occurrence of problem behavior
- Teach and encourage pro-social skills and behaviors
- Implement evidence-based behavioral practices with fidelity and accountability
- Screen universally and monitor student performance & progress continuously

Desired Outcomes Associated with Implementing PBIS?

With the PBIS management framework Al-Iman School intends to implement the established system with fidelity, integrity and durability in order to have a teaching and learning environments that is:

- Less reactive, aversive, dangerous, and exclusionary, and More engaging, responsive, preventive, and productive
- Address classroom management and disciplinary issues (e.g., attendance, tardies, anti-social behavior)
- Improve supports for students whose behaviors require more specialized assistance (e.g., emotional and behavioral disorders, mental health), and most importantly, maximize

academic engagement and achievement for all students

Al-Iman School Discipline Team

Al-Iman School will select adult members to serve as Intervention and planning team members. Student intervention and planning (SIP) team members will receive training from The North Carolina Department of Public Instruction (NCDPI) and become familiar with PBIS behavior management model and response to intervention (RTI) process and procedures.

The SIP team will determine the appropriate type of intervention that meets the needs of students in tier two and three. The SIP teams will then monitor response to intervention and assess data. The SIP team will ensure that PBIS management is implemented for elementary, upper elementary and middle school students.

If the grade performance remains below standard at the end of the warning period the student will be subjected to consideration for dismissal from the chapter.

Violations of the law or school regulations can result in immediate consideration for dismissal as a member of NEHS. These violations include, but are not limited to level two or three offenses outlined in Al-Iman School's Student Handbook under discipline policy (page 40 – 48). Offenses of the school conduct code (such as use of profanity, failure to comply with dress code, unexcused absences, excessive tardiness to class, etc.) will receive a written warning notification.
