

## **Al-Iman School Student Allergy Policy**

### **907. Allergies**

Parents MUST notify the school of all allergies (medicine, food, or any other substances). Parents of a student with a life-threatening allergy must provide the school with the appropriate documentation from a licensed health-care provider. The Al-Iman School staff will work with the parents to develop an emergency medical plan. The school takes seriously its responsibility to take reasonable steps to protect the safety of its students. Our goal is to prevent possible exposure to identify allergens, and to create an emergency procedure for allergic reactions.”
